

## THREE MORE INDICTED BY GRAND JURY

Representatives Lowry,  
Evans and Senator  
Crawford

RECESS UNTIL MAY 31

When Pros. Turner Says Probe  
Will Resume and More In-  
dictments Will Follow.

Columbus, May 17.—Despite the evident relief of the legislators here when they heard the grand jury had recessed till May 31, and despite the stories that the end of the probe has come, Prosecutor Turner insists that the probe will be resumed on May 31 and that more indictments will follow. There is ground for a belief that the Ohio brewers are ready to tell all they know about the wet and dry fight and the grand jury has important witnesses to hear on the loggish bill. Either of these lines of inquiry may lead to more indictments.

**THE INDICTMENTS.**  
Legislative bribery indictments in detail are:  
No. 9652.—Against Representative Owen J. Evans, solicitation of a bribe of \$650, Feb. 14, from John F. Weiss of Canton, secretary of the Stark-Tuscarawas Brewing Company, to further the passage of Senate bill No. 19, the original Dean bill amending the Rose county local option law.  
No. 9653.—Against Representative A. Clark Lowry, solicitation of a bribe of \$1500, March 13, from Opha T. Moore, secretary of the Ohio Manufacturers' Association, to further the defeat of amended Senate bill No. 11, known as the Green nine-hour day bill for women.  
No. 9654.—Against Senator Edgar T. Crawford, solicitation of a bribe of \$200, March 20, from William H. Cook of Springfield, secretary of the Ohio Butchers' and Grocers' Association for his vote and influence in connection with substitute Senate bill No. 100, introduced by him, providing for the redemption of trading stamps in money.

**NEW INDICTMENTS.**  
Senator Edgar T. Crawford, Carroll county, merchant, Republican.  
Representative Owen J. Evans, Stark county, merchant, Democrat.  
Representative A. Clark Lowry, Lawrence county, physician, Republican.

Columbus, O., May 17.—Eight indictments, alleging official corruption, now hang over members of the legislature and one of the senate's attaches.

The Franklin county grand jury yesterday rolled up three true bills against as many members of the general assembly on specific charges of bribery solicitation for their votes and influence on pending legislation.

The indicted trio are State Senator Edgar T. Crawford, of the Stark-Carroll district; Representative A. Clark Lowry, of Lawrence county; Representative Owen J. Evans, of Stark county.

Crawford is charged with the solicitation of \$200 from W. H. Cook of the Ohio Butchers' and Grocers' Association, in connection with trading stamp legislation. Cook, whose home is in Springfield, testified before the grand jury last Monday.

Lowry, now under bond of \$500 for the alleged solicitation of a bribe from Detective David H. Barry of the Burns agency, is charged in the indictment with having solicited \$1500 from Opha Moore, secretary of the Ohio Manufacturers' Association, in return for his pressure against the Green nine-hour day for women, the same measure involved in his previous indictment. This bill came up in the house yesterday and passed with slight amendment. Lowry's vote was cast in the negative.

Representative Evans, said to have been elected with the aid of the Stark county wet organization, but who voted dry when the original Dean bill, providing local option for municipalities, came before the house, is charged in the indictment returned against him with having solicited \$650 from John F. Weiss of Canton, secretary of the Stark-Tuscarawas Brewing Co., on a promise to line up with the wets.

Evans refused to carry out his pre-election promise to line up with the wets and stated that he would not vote for the Dean or Fulton bills for moral reasons. Since he solicited the \$650 to vote for the Dean bill, it is understood what he meant by "moral" reasons for voting against it.

All the indicted men entered their appearance shortly after the grand jury reported and were released un-

der bond of \$5000 each, furnished by the Title Guaranty and Surety Co. They will be arraigned on Friday morning before Common Pleas Judge E. B. Kinkead.

Following the submission of the grand jury's report by Prof. David R. Major, foreman of that body, Judge Kinkead, on suggestion of Prosecuting Attorney E. C. Turner, dismissed the jury until May 31.

Expected perjury indictments did not mature yesterday. These will probably be handed down together with the final written report of the grand jury when that body takes adjournment.

The recess will enable the county legal department to give its undivided attention to the trials of the indicted men, which commence tomorrow morning, with Representative George B. Nye of Pike county as the first man on the list.

It was generally commented on last night that of the three indictments returned yesterday, all were the results of the independent investigation other than conducted by W. J. Burns and his coterie of sleuths.

Detective Burns arrived yesterday and will remain for some time, giving the prosecution the benefit of his researches at the trials.

That the grand jury was about to make a report had been forecast earlier in the day and was made evident as the afternoon rolled on by the hurried trips from the jury room to the court room and the prosecutor's office by Prosecutor Turner and Assistant Attorney General Joseph McGhee, representing the state's legal department.

The expected was forthcoming shortly before 4 o'clock, when the 15 members of the body impaneled to inquire into crime committed in Franklin county and especially to probe the wild rumors of legislative corruption, filed into the court room, tired with their fortnight's grind and perspiring from the sweltering hours in the jury room.

Judge Kinkead received the report, which was secret until the legislators entered their appearance, and then informed the jury that for the time being they were excused.

Deputy Sheriff Lawrence and Messmore were dispatched with subpoenas to serve on the indicted trio, but, as on the occasion of the previous grand jury report, any service was unnecessary. The news had filtered to the legislative halls and to the Neil House, whither Senator Crawford and Representative Lowry had repaired, along with Representative Irvin of Preble and Kennedy of Allen counties.

The indicted pair hastened to the courthouse, accompanied by Senator L. R. Andrews, who is himself under indictment for bribe solicitation, and were later joined by Representative Evans, who had stopped at the Neil House for a consultation with his wife.

The scene when the indicted men gave bond was in striking contrast to the similar night when the five first indicted legislators, together with the senate sergeant-at-arms, poured into the courtroom and tossed each other about in a rush to get a look at their indictments, while they joshed their fellow-victims.

If yesterday's indictments were the occasion of strain to the indicted legislators, they betrayed no trace of it in their demeanor as they stepped up to sign their bond. There was a friendly nod for everybody, coupled with a few expressions of surprise that such action had been taken.

A court attaché who stopped into the criminal court house while the bonds were being signed, queried as to whether a report of the grand jury was to be expected, all unconscious that he was gazing upon the climax of the report.

Sensor Crawford averred that he wished to save all trouble. He had heard that he was indicted, he said, and simply came down to investigate. He was quite so cautious about the copy of the indictment handed him and treasured it carefully.

"Don't lose it," he requested of one to whom he loaned it for moment. To him it seemed a keepsake with which he would not willingly part.

Before the identity of the three men had been established there was a call from several as to where Crawford was. "This is Crawford," said the senator, and he quietly offered himself to the inquisition that awaited him.

For the present he will be represented by the legal firm of Belcher & Connor, who have handled the preliminary details for all the indicted legislators.

Representative Lowry, son-in-law of Colonel H. A. Martin of Ironton, member of the Ohio Manufacturers' Association, whose inquiries precipitated (Continued on Page 9, Col. 3.)

## HEIRS OF PROPERTY FOUND HERE

Brother and Sister Will  
Receive \$27,000  
From Estate

ATTY. B. F. McDONALD

Receives Clue and Will Recover  
Property Held in Trust  
At Clinton, Ill.

Ten years ago Peter Thorp, a wealthy farmer residing near Clinton, Ill., died leaving personal property worth \$56,000 and a farm of 640 acres in the rich corn belt. There were seven heirs and a partition occurred.

One of the heirs, a son, had married and moved away, but died before his father's death.

The mother again married and moved to Southern Ohio, leaving her little ones in charge of their maternal grandmother, Mrs. Mary E. Martin.

The administrator of the Illinois estate advertised for the missing heirs but nothing was ever heard from them. Their share of the property amounting to \$8,800 in cash and 91 acres of land valued at \$18,200 was set aside for them.

Ten years passed and court proceedings were begun to have the property reverts to the other heirs when a friend of Attorney B. F. McDonald of this city thought that he remembered of the missing son, Thorp, located in Newark. He also remembered of two children being born to him, a boy and a girl. He wrote Mr. McDonald that the boy's name was Henry Charles Thorp.

Attorney McDonald turned to a city directory and in a few minutes had located the missing heirs. One of them was Henry Charles Thorp, eighteen years of age, and who for the past four years has worked on a farm south of this city for Frank Osborn. The other heir was Mabel Thorp, a sister, 20 years of age and employed at the Cherry cigar factory. They have lived since their mother's marriage with their grandmother, Mrs. Mary E. Martin, at No. 199 South Fourth street.

Attorney McDonald informed them that he had received word that considerable property had been left them by their grandfather and they requested him to investigate the matter for them.

Mr. McDonald left for Illinois some few days ago and returned Tuesday night. He found the property being held in trust but arrived in time to save it from reverting to the other heirs as ten years had passed and the legal time limit had expired.

When he told the brother and sister that he had found \$5,800 in cash to their credit and real estate worth over \$18,000, they were overjoyed at their good fortune, particularly so for the reason as they expressed it, "that grandmother could now have a better home."

Mr. McDonald stated to the girl that she could stop work at once, as she was now independent and her reply was "I shall never stop work even though I have enough to make me independent."

The property will be transferred to the Thorp heirs in this city just as soon as proof of their birth can be established, together with the other necessary legal formalities required, which will consume about five weeks.

The many friends of the young people are congratulating them on their good fortune.

## ENGAGEMENT MAY RESULT FROM VISIT

London, May 17.—This city is filled with rumors that one object of the German emperor in bringing Princess Victoria here at this time was to discuss with the English sovereign the possibility of an engagement between the princess and Prince Albert Edward of Wales.

## SENATE CRITICISES ACTION OF JUDGE

Springfield, Ill., May 17.—The state senate today voted 34 to 11 to adopt a resolution criticising Judge Pettit of Chicago for his decision in the contempt case of Edward Tildren, who refused to testify before the Lorimer probe committee.

## SAVES 11 LIVES AND THEN DIES

Detroit, Mich., May 17.—After saving 11 lives from a burning building here and escaping the flame and smoke, Police Lieutenant Henry dropped dead of heart failure on a street today. The excitement was too great.

## CHOSEN HEAD OF BIG UNIVERSITY

Dr. Elmer E. Brown, Washington, United States commissioner of education, has been chosen chancellor of the New York University to succeed Rev. Dr. Henry Mitchell McCracken, resigned.

## STANDARD OIL FORMS PLANS TO DISSOLVE

New York, May 17.—The lawyers and managers of the Standard Oil Company got down to work today on plans to dissolve. A tentative scheme had been drafted in anticipation of the decision, but the six months granted by the court has removed all necessity for haste. It is not likely the finding of the company will be made public for some time.

Moritz Rosenthal, who was chief counsel for the Standard when the case was in the lower courts, said today that after reading the decision, he thought the company would reorganize by dividing into four sections—producing, manufacturing, transportation and selling. Rosenthal thinks the court's opinion will allow the various companies in each of these divisions to combine in a single organization to carry on which ever branch of the business they are now handling.

## FIREMAN

On Sandusky Short Line Found Murdered at Columbus, With Bullet Hole in Head.

Columbus, March 17.—Carl Sanborn, 27, fireman on the Pennsylvania between here and Sandusky, was found dead under a tree near the Big Four tracks this morning. He had a bullet hole in his head and his clothes and pocketbook had been rifled. Sanborn was the sole support of his mother, with whom he lived here. He was last seen alive last night at 10 o'clock in a grocery store. As Monday was his pay day, he probably had considerable money with him last night.

The police and coroner think the body was carried to the spot where it was found after Sanborn had been killed.

## MURDER OF CHUM CONFESSED BY BOY

Cincinnati, May 17.—John Mandzelowski, 16, today confessed to detectives that he had murdered Nicholas Urban, 16, in a lumber yard here because the latter had "tried to bully him over a pool game." Mandzelowski re-nounced the crime for the police and said he had robbed the victim in an effort to divert suspicion.

## NEW CONGRESSMAN FROM PENNSYLVANIA

El Paso, Tex., May 17.—Following Judge Carbajal's statement that the major details of the Mexican peace agreement have been settled, and the peace pact is merely awaiting the formal signatures of Diaz and Madero, it is reported that the three cabinet ministers granted the rebels are war, justice and governance. Rumor says the men picked for these posts are: War ministry, Gen. Gonzales Salazar; governance, Dr. Gomez, and justice, Vasquez Tagle.

Besides these ministries, the peace terms are said to include the resignation of Diaz within three months, and the immediate ratification of Madero's appointment of 14 state governors.

## GOV. HARMON APPOINTS CENTRAL BOARD OFFICERS

Columbus, May 17.—Governor Joseph P. Shaffer, Paulding county, Democrat, and Thomas E. Davey, Mahoning county, and Arthur E. Shephard, Montgomery county, Republicans. The salary is \$5000 per year. Shaffer is a brother of State Senator William Shaffer.

C. H. Gregg, of Pennsylvania is one of the new members of the lower house of Congress.

## PRESIDENT TAFT AND GOV. WILLSON PLAY GOLF FOR STATE AND NATION HONORS

President Taft has invited Governor A. E. Willson, of Kentucky, to come to Washington and meet him in mortal combat on the golf links at Chevy Chase, May 20, to settle national and state honors. Both are training hard.

## ANOTHER NAME ADDED TO LIST

Los Angeles, Cal., May 17.—Addison Hartle, 25, an amateur aviator, was instantly killed today when his machine turned over 75 feet in the air. His sister Anna witnessed the fall and was the first to reach his body. He had gone out to the aviation field early to make an experimental flight. The machine was a home-made Curtis biplane.

## WIFE OF GOVERNOR

Watches Senate Pass Bill for Woman to Have Charge of Industrial Home.

Columbus, O., May 17.—From a seat in a side gallery, where she had come in spite of the heat, Mrs. Judson Harmon was an interested on-looker in the Ohio senate yesterday afternoon, when that body took up the Stambaugh bill, providing that a woman shall have charge of the Girls' Industrial Home at Delaware, and passed it, 26 to 2.

Ever since her husband became governor of the state, Mrs. Harmon has taken an interest in the affairs of the institution, and especially those which deal with women and girls. Recently she spoke in its favor before the senate committee.

## MICHIGAN'S GOVERNOR FOR RECIPROCITY

Lansing, Mich., May 17.—Governor Chase S. Osborn has sent a message to President Taft offering his personal services in favor of the proposed Canadian reciprocity treaty and declaring that the Michigan farmers' representatives who have been opposing the treaty at Washington do not represent all of the Michigan farmers by any means and do not reflect the dominant sentiment of the state.

Governor Osborn said he sent the message in his private capacity as a citizen. The governor's home is in Sault Ste. Marie.

## PICKED UP IN AN OPEN BOAT

Boston, May 17.—Raymond Blackmore, a young real estate man and member of a wealthy family, was brought into court today by a fishing boat which had picked him up fifty miles out in an open, unprovisioned dory. Blackmore is temporarily deranged and put to sea last Monday. Revenue cutters, warships and life-saving crews for miles along the coast have been searching for him since his disappearance.

## SAW FATHER'S HORRIBLE DEED

Zanesville, May 17.—With his two children as horrified spectators, William J. Apperthorn, 49, cut his throat from ear to ear this morning, following a quarrel with his wife.

## NINE HOUR WORK BILL IS PASSED

Workmen's Liability or  
Compensation Measure  
Also Goes Through

REDISTRICTING MEASURE

Falls in House by Vote of 52 to 42  
---Summary of Legis-  
lation.

**LEGISLATIVE SUMMARY.**  
Green bill, for nonpartisan delegates to constitutional convention, passes house.  
Green measure, shortening hours of work for women, passes house.  
Both branches accept conference report on workmen's compensation act.

Houses passes Goodbread bill, appropriating \$3,435,000 state aid for schools and colleges.  
House defeats Fulton congressional redistricting bill.

Senate enacts Stambaugh bill, giving Girls' Industrial School a mansion instead of a superintendent.  
Hudson measure, to prevent factory fire horrors, passes senate.  
Browder bill, to abolish infirmary directors, passes senate.  
Dore coupon ballot bill beaten in senate.

Senate puts teeth into Representative Hollinger's tax commission measure, which were extracted by committee, and passes it.  
The house today passed the Dore bill allowing municipalities to abolish grade crossings, and the Smith bill permitting the use of fair grounds for parks. It killed the Catone double fire platoon bill for cities.

Columbus, May 17.—Prospective laws were made yesterday of the two big labor bills of the session, both bearing the name of Senator Green of Cochocton, the workmen's liability or compensation bill, and the women's 9-hour workday measure.

Without opposition, the senate and house adopted the unanimous report of the conferees on the compensation bill. This action had the effect of definite passage of the measure. Ratliff of Cincinnati, chairman of the house committee of 10, which framed the compromise, which was accepted by the employers and employees, Kimble of the conference committee, asked the house to accept the report. The same request was made of the senate by Senator Green.

The bill, as it goes to Governor Harmon, provides that the employer shall contribute 90 per cent and the employee 10 per cent of the fund from which the state board of awards will make grants to injured workmen and to estates of the dead. Employers may elect to go under the awards or not, but are to be liable in damages suits, on which they have relied in the past. Employers having less than five persons regularly employed are exempted.

By amendment adopted by the house, the 9-hour bill becomes a 54-hour a week bill, and in that shape goes back to the senate for concurrence. This amendment, proposed by Herman Hollinger of Cleveland, raises the limit to 10 hours a day, but retains the provision for 54 hours for six days' work. That was done to permit working one hour over time for five days and cutting 5 hours off the Saturday work day to insure a half holiday. The bill still provides an average 9-hour day.

## Congressional Redistricting Bill Falls in the House

The Fulton congressional redistricting bill was beaten in the house yesterday. The vote was 52 to 42. The bill thus lacked eight votes of passage.

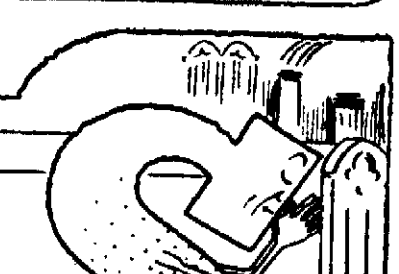

Defeat was due to an attempt being made to force it through the house under cloture. For the first time this session debate was entirely cut off. The moment the bill had been read Representative Behne of Williams, moved the previous question, which was adopted. This not only prevented discussion, but also the offering of amendments.

Democrats opposed to the bill because of the way it carved up their districts had been told they could tell their troubles to the senate. This did not satisfy them and they beat the bill, though three Republicans, Williams of Lorain, Geleerd of Toledo and Lamb of Clinton voted for it.

The Democrats who did the slaying were Boggs of Belmont, Connolly of Brown, Gardner of Clermont, Leathers of Wood, Muhlbach of Highland, Stambaugh of Hardin, White of Jefferson, Barnes of Holmes and Woodrow of Jackson.

Winners of Erie changed his vote (Continued on page 2, col. 1.)

Springfield at Newark.

YESTERDAY'S RESULTS.  
Portsmouth, 2; Lima, 1.  
Newark, 8; Hamilton, 5.  
Lancaster, 11; Springfield, 8.  
Chillicothe, 3; Marion, 1.

Newark made it two straight by defeating on Ashenfelter's curves Tuesday and pounding out a victory. Blue hit for a homer in the second and four hits in the fourth, two of them doubles, a hit batsman and a base on balls counted for five runs.

Taylor was effective after the first inning and kept the Hamilton batters pretty well scattered. Several of the visiting players are pretty well "mashed" up and they left for Lancaster last night with one of Kunkle's fingers in rather bad shape. Barton also has a bad hit but sticks to the ship in spite of it.

Springfield is at the park this afternoon and the fans will get a chance to see some of the old Newark players in action. Charley O'Day has a good bunch of players and they will make the locals go some during the series of three games that they are here.

The scores yesterday were made as follows: Gilligan the first man up for the visitors was walked, pilfered second and scored after Barton went out on a fly on Locke's double. Decker died out to Barton and Locke counted on Kunkle's safety. Tanner died at first.

The locals scored first in the second. After McConnell knocked a high one to Gilligan, Blue lifted a beauty over the left field fence for a homer and earned a \$5.00 bat, a prize from Hermann the clothing five pounds of tobacco, a few live and various other things. There was nothing more doing for Munro died out and Harold went out stealing second after he had been walked.

The visitors counted for the third and last time in the fifth, Kunkle dying at first, Ashenfelter singling and straining second, Gilligan browning and Barton tripling, Locke going out on a high foul to Blue.

The visitors were slaughtered in the fourth. Randolph doubled, McConnell singled, ditto, Rine, Munro was jabbed on the back, Harold was walked, Presock doubled and reached third on Kunkle's wild throw and died at the plate after Taylor was thrown out at first when Barton rolled one down to Barton, Mister Jimmy making a quick peg to Kunkle, Wiley breasted, but it was time to call a halt for five scores had been piled up.

Newark counted again in the fifth. Randolph starting off again being given a life on Wentz's error. He was singled by McConnell and scored on Blue's safety. Munro and Harold died out. The Molders made it eight in the seventh, Randolph was again singled by McConnell; Blue went down at the initial corner, Munro singled, also Harold, but was stopped at second on Presock's roller to Barton. stylish lid to the first Newark player pulling off the stunt. Bert lifted the ball over the left field fence and it certainly was a beauty.

Bert will not go hungry for awhile for Joseph Kuster Jr. handed him a meal ticket good for many excellent meals at the Kuster cafe.

In addition to the new lid and the meal ticket, Catcher Blue will be presented with five pounds of fancy smoking tobacco, numerous neckties, a few shaves and haircuts and a half dozen pairs of fancy socks.

## O. P. LEAGUE TROUBLE

Canton, O., May 17.—Because of alleged dissatisfaction in certain quarters with some of the acts of President George Moreland, of the Ohio and Pennsylvania Baseball League, the club owners have called a meeting for today, which will be held at Canton. President Moreland will attend. Manager Fred Drumm, of the Canton team, has resigned to become business manager of the club. Jack Ernst, catcher, has been appointed manager.

## SHORT SPORT

The Molders made it four straight yesterday. Now if they can top two from Springfield out cup of happiness will overflow.

Talk about slugging the ball. Guess the Newark bunch hasn't been there with the bats lately when they were needed.

Blue's homer was a peach as it went sailing over the left fence. Keefe started to chase it and then with a look of disgust turned slowly about and resumed his position.

Let's hope that Casey Jones never gets another chance in Newark. He's easy, but two homers and forty minutes of play. Believer as from any more of a like-nature.

Did this will play the first bag for the St. Louis Browns, in place of Newman, who has been returned to the Houston club.

The Lodger racing crew are on their way from Detroit to the Indianapolis speedway, where they will take part in the international race on May 30.

The Mechanics open a three game series at Lancaster today. Fox will be sent to the mound in the first game against the Lanks.

McConnell had ten chances at short with one little wobble. Guess that young man hasn't been going some. If he keeps up his present gait he won't stay in the Ohio State League very long.

Taylor passed one and struck out four while Ashenfelter passed two and

# S.S.S. A PERFECT CURE FOR SCROFULA

Scrofula belongs to the type of diseases known as blood poison, and is a trouble usually manifested in childhood. It is often an inherited condition springing from some specific disease of ancestors. The ordinary symptoms of Scrofula are swollen glands about the neck, sores and ulcers on the body, scalp diseases, skin affections, weak eyes, poor physical development, etc.

The disease being deeply rooted in the blood, often attacks the bones if the poison is not removed from the circulation, and this should be seriously considered in the case of any child who shows symptoms of having scrofulous blood. Some persons who inherit Scrofula reach maturity before the trouble develops, but being bred in the circulation, the disease is bound to show itself in some form.

Frequently a debilitating spell of sickness which depletes and weakens the system offers a favorable opportunity for the disease to manifest itself. A thorough cleansing of the blood is the only method of treatment that can be of any value; the scrofulous poison must be removed from the circulation.

S.S.S. has cured thousands of cases of Scrofula. It is the greatest of all blood purifiers, and by going down into the circulation and ridding it of the scrofulous germs, and enriching the blood by the addition of healthful corpuscles, S.S.S. cures the disease permanently. S.S.S. is a purely vegetable remedy, and is perfectly safe for children. If you or your child have any symptoms of Scrofula, begin the use of S.S.S. at once, and get the destructive disease forever removed from the system. Book on the blood, and any medical advice free. S.S.S. is for sale at drug stores.

also struck out four. Ashenfelter's bad inning in the fourth was fatal, but we would have taken the Mechanics over as we were outplaying them all along the line.

The game yesterday went one hour and forty minutes. The one day before in which Casey Jones officiated lasted just an even hour longer.

Bill Gerlach, Jess Smucker, James Hall and Bill Dee have got the dope figured out right, but refuse to give it out for publication other than saying that the locals will reach first position in the race within a few weeks.

Joe Jeffries has a bet with a certain individual doing business not far away from the Mazda theatre that the Molders will be in first position by July 1. Just like getting money from home for Joseph, for if a slump comes along he knows how to go out and break the hoodoo.

McQuillan may probably be sent to the mound by Griffith in today's contest. He is very anxious to work against his old team mates.

Meridian, the Kentucky Derby winner, and Gov. Gray, who was the favorite, will again meet at Latonia on June 10, when the Latonia Derby will be run.

Alexander, the twirler for the Phillies, struck Bates out three times. He was called out three times and was the third out each time.

The Chicago club has asked for waivers on Big Ed Ruchbach. It is said that every team in the National League will refuse to waive. No chance for him to get out of the big circuit.

Friend is leading the home run getters in the Ohio State League, having three this season.

Manager Osborn of Lima, will give Pitcher Kiefer another chance. He threw his arm out of place early in the season.

Lajole believes that Rube Waddell, the eccentric pitcher, can still "deliver the goods" in the major leagues. He says that Waddell will have a fine season under the management of Cantillon.

The Dayton Central Leaguers are breeding along at a nice gait, and will be in the procession until the end.

Ed Geers has quite a number of green trotters this spring, but visitors to Memphis are of the opinion that not a one among the lot stands out so prominently or appears to have the class shown by Eddie Archdale, 2,063, a year ago.

Outfielder Davidson of the Brooklyn club, has been suspended for three days by President Lynch, for his trouble with Empires Klen and Doyle.

Tenant who was released by Chillicothe and picked up by Portsmouth, is playing a fine game for the Champs. It looks like the Babes could have afforded to let some other man go instead of Tenant.

During their home stay, the Reapers won nine games and lost four.

Portsmouth broke even on their last road trip. They won five and dropped the same number.

Schunze, the crack southpaw for the Beans, is on the hospital list. His knee was badly injured by a crack from Epler's bat.

Jack Kendall, who played the left garden for the Reapers, is said to be the fastest man in the Ohio State League, in getting down to first base.

Larry Lajole is now in the game with Brooklyn. He has settled the \$50 fine imposed on him last year in the Central League.

Dave Altizer the Reds shortstop, has been sold to Minneapolis. Dave was a star in the American Association, but he failed to make good with Cincinnati.

Charlie Dooin, manager of the Phillies, is shattering the idea that a player can't catch good ball and be a great manager too.

## Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidney trouble is permitted to continue, serious results are most likely to follow. Your other organs may need attention, but your kidneys, most of all, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will convince you of its great merit.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best.

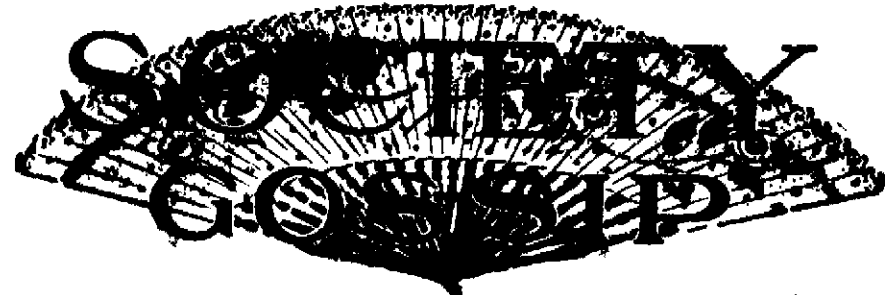

Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.

When writing, be sure and mention this paper. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

The house where Rembrandt lived in Amsterdam is being restored.

One of the most prominent social events of the week in Columbus was the wedding of Tuesday evening of Miss Bertha Young of Columbus and Mr. Grove Montgomery of this city. The State Journal of Wednesday has the following account of the ceremony:

In the Broad Street Presbyterian church last evening, where the air was fragrant with the perfume of roses and sweet peas, and a delightful program of music added to the harmony of the occasion, Miss Bertha Young became the bride of Mr. Grove Montgomery of Newark.

The pastor, Rev. Dr. S. S. Palmer, conducted the service in the presence of a large assemblage of relatives and friends of the young couple. The interior of the church presented a scene of beauty, with decorations of masses of pink roses and delicate white sweet peas, whose exquisite coloring was brought out by backgrounds of Southern smilax, ferns and palms. As the guests came in the organ and Maud Wendt, Miss MacDonald and Edith Sage MacDonald sang.

The bride, who was given in marriage by her father, wore a gown of softest ivory satin, gracefully draped and trimmed with lace, daintily embroidered with rose design in narrow satin ribbons. She carried a bouquet of roses and lilies of the valley, and wore a long filmy veil of tulle, held in place with a wreath of orange blossoms. The bridegroom's gift, a pendant pearl and amethyst on a slender chain of gold was worn.

Miss Grace Young, a sister of the bride, who was maid of honor, was in rose pink messaline satin, draped with white marquisette, embroidered with crystal beads and trimmed with crystal ornaments. She carried a shower of pink roses and sweet peas. There were four bridesmaids, Misses Trude Woodhouse, Gladys Mayfield of Middleboro, W. Va., Mary Owen of Newark, and Florence Montgomery, a sister of the bridegroom.

from Newark. They were similarly gowned in pink messaline satin, with overdrapery of marquisette and crystal trimming, and carried roses. Mr. Clyde Irwin was best man and the ushers were: Messrs. Harold Young, the bride's brother, George Herschberger and Howard Simkins of Newark, and Clay Shirer of Cleveland.

After the ceremony 100 guests were entertained at a reception at the home of the parents of the bride, Mr. and Mrs. David M. Young, 850 Oak street. Decorations there, as at the church, were of pink roses, white sweet peas, with green of smilax, ferns and palms. Receiving with Mr. and Mrs. Young and the bridegroom were the bridegroom's parents, Mr. and Mrs. Wesley Montgomery of Newark. The newly-wedded couple left Tuesday evening for a bridal trip. When they return they will go to make their home in Newark, where he is engaged in the lumber business with his father. The bride has been organist at Broad Street Presbyterian church five years and the congregation is gratified to know that she will continue to play there even after going to live in Newark. She is a graduate of East High School and of the Columbus Normal School, and studied music at the University of Wooster and in New York; also with Mrs. Mills, organist at Broad Street M. E. church.

One of the most pleasant affairs of the season was the Phi Sigma Chi dance given Monday evening at the Masonic hall. Thirty-five couples were in attendance and the dance began at 8:30 o'clock. At nine o'clock, programs were given out. The grand march at this hour was led by Mr. and Mrs. Dill Mowery. Throughout the evening excellent dance selections were given by the Lucas-Kennedy sextette orchestra. The dance was served during the evening and dancing was enjoyed until twelve o'clock.

Those from out of town were Miss Ruth Wintermute and Miss Elizabeth

Sohn, both of Newark, who are the guests of Mr. and Mrs. Mowery of North Seventh street, Miss Evans and Miss Lemon both of Zanesville, and Mr. Southern of New Concord.—Cambridge Jeffersonian.

The Wednesday Bridge club will be entertained this afternoon at the home of Mrs. George Blood in Hudson avenue.

Mrs. W. W. Neal was hostess to the members of the Tuesday Afternoon Bridge club on the club day of this week. The members and a number of guests participated in the game and the souvenirs were awarded to Mrs. Fred Black and Mrs. Kemper Scott.

Light refreshments were served. The guests were Mrs. H. H. Scott, Mrs. C. Walter Jones, Mrs. A. J. Sweet, Mrs. Fenwick Ewing, Mrs. Charles Montgomery, Mrs. Robbins Hunter, Miss Emma Spencer, Miss Grace Fulton, and Miss Peterman of Brooklyn, N. Y.

The Ladies Auxiliary Bridge of St. John will entertain with a card party at their rooms in the Modern Woodmen Hall on Thursday evening. Following the card party the evening will give a military drill in full costume.

Mrs. C. W. Miller is being honored this afternoon by Mrs. W. H. Davis, who is entertaining at her home in Hudson avenue with a bridge party.

The home of Mr. and Mrs. J. E. Lehigh of West Lafayette, near Coshocton, was the scene of a pretty wedding Tuesday morning at seven o'clock. Amidst a profusion of carnations the marriage service of Miss Minnie Lehigh and Mr. Robert Porteus of Bellefontaine was read. Among those present at the marriage and breakfast following was Mrs. Earl Bell of Newark.

The home of Mr. and Mrs. G. W. Stump, 29 Jefferson street, was the scene of a delightful party Monday evening, the event honoring the birthday anniversary of their son, John. The evening was spent in various games and music, after which a dainty luncheon was served. The following: Misses Julia Belmar, Alma Hamlin, Grace Marvin, Marguerite Moore, Kathryn Johns, Molly Rothstein, Mary Stump, Mrs. Josephine Blander, Mrs. Frank Belmar, Messrs. George Coyle, Lester Lucas, Leslie McMullen, Edwin Smiles, John Criticos, Raymond Coyle, Lawrence Camp and Ray Stump. The prizes for the guessing contest were awarded to Marguerite Moore, first prize, and Mary Stump, the booby prize.

The final meeting of the Shakespeare club will be held on Saturday afternoon. The meeting will be in the nature of an outing and will be held at the Van Voorhis farm, near Nashport.—Zanesville Signal.

The L. C. B. A. will hold a business meeting at the home of Mrs. J. T. McMahon in Bowers avenue, Friday evening at 7:30 o'clock.

The Thursday Afternoon Sewing club will be entertained on the club day of this week at the home of Mrs. Walter Freese, 267 Granville street.

Sunday, May 14th, about twenty-five relatives and friends with well filled baskets gathered at the home of Mrs. Lydia Hughes, northeast of this city to remind her that she had reached one more mile stone in life. At noon an elaborate dinner was served. The afternoon was spent with music. Mrs. Hughes received many beautiful and useful presents, one that she prizes very highly being in the form of a beautiful china piece presented to her by Mrs. Howdyshell.

Those present were Mr. and Mrs. Voss Nichols and children Mildred and Howard, Mr. and Mrs. Jacob Howdyshell and son Hermann, Mr. and Mrs. Edward Hughes and children Hazel and Frank, Mr. and Mrs. James Nichols and children Gladys, Mrs. Ollie Hughes, Miss Nellie Hughes, Messrs. Abner Nichols, Thomas, Lawrence, and Guy Hughes, and the hostess, Mrs. Lydia Hughes.

One of the most interesting as well as enjoyable events celebrated for some time was the party given on last Sunday at the home of Mr. William Glover near Wilkins Corner. The event honored the birthday anniversary of the mother of Mr. Glover, Mrs. Martha Ann Glover. One of the interesting features was the fact that the anniversary was incident with Mothers' Day.

A pleasing few hours were spent informally and a dainty luncheon was served. Mrs. Glover has been the mother of thirteen children and has

sixty-one grandchildren and thirty-seven great grandchildren.

Those present were as follows: Mrs. Martha Glover, Mr. and Mrs. William Glover and daughter Vada, Mr. and Mrs. B. F. Glover and sons Edward and Lon, Mr. and Mrs. Jesse Glover and daughter Helen, Mr. and Mrs. G. M. Glover and sons Calvin, William and Ray and granddaughter Beatrice King, Mr. and Mrs. J. C. Glover and children Oma, Vesta, Dean, Lela and Delmar, Mr. and Mrs. Amzi McPeck, Mr. and Mrs. Guy Farley, Mr. and Mrs. Charles McLaughlin and sons Cary and Roy, Mr. and Mrs. Edward McLaughlin, and son Charles, Mr. and Mrs. Will McLaughlin and children Edith, Rilla, Lola, Gladys, Hazel, Frederick and baby, Mr. and Mrs. Roy Mathews and daughter Frances, Mr. and Mrs. Clem Watson and daughters Pearl and Nina, Mr. and Mrs. Samuel Evans and sons T. H. and Dewey, Mr. and Mrs. Ed Dickson and children, Harold, Raymond and Mildred, Mr. and Mrs. Ben Robison, Mr. and Mrs. J. B. Looker and children Cleveland, George Maude, Mr. and Mrs. Charles Moats and children Leonard, Leon, Wayne and Gale, Mr. and Mrs. Bert Jones and daughter Verna and sister Effie, Mr. and Mrs. Claude Looker, Mr. and Mrs. Charles Smith and children Eugene, Fred, Ethel, Zoe and Lena, Mr. and Mrs. Hale Stoner and children Bert and Belle and granddaughter Madeline, Mr. Calvin Weiss and daughter Goldie, Mr. Harvey Johnson, Earl Wolfe, George Sterrett, Mr. and Mrs. Elmer Matthews, those from Union were: Charles Morris, Rosalie and Edna Riley, Mr. Felix Parker and daughter Mae; those from Union Station were Mr. and Mrs. Milton Eagle and children Claude and Goldie; those from Newark were Mr. and Mrs. Korr, Mr. and Mrs. Russell, Mr. and Mrs. William Smith, Arthur Patrick and Mr. Thompson.

Mrs. Elizabeth F. Metz celebrated with a family reunion at her home, 488 East Main street, Tuesday. The occasion was Mrs. Metz's ninety-fifth birthday anniversary. Her children, grandchildren and great grandchildren were present.

Those from out of the city were Mr. and Mrs. J. F. Metz of Coshocton, Mrs. Metz and family of Coshocton, Fred C. Bookman and daughter Elizabeth of Columbus. Mrs. Metz is enjoying the best health.

**BRIBERY PROBE  
WILL CLEAR THE  
ATMOSPHERE**

This is not the first time that there  
have been rumors of bribery circulated  
about members of the general assem-  
bly. Heretofore, a strong man and a  
fearless state administration was lack-  
ing to bring these charges to the pub-  
lic view.

Charles S. Gongwer, a Republican  
and news writer who traveled with  
Warren G. Harding when that gentle-  
man stumped the state last fall, con-  
firms this in an article in this week's  
Ohio Journal of Commerce about  
"bribery and the legislature."

Whether the present bribery scandal  
in Columbus results in the conviction  
of any bribe receiver or any bribe  
giver it has made for a clearing of  
the atmosphere that can result only  
in good—great good, even though, un-  
fortunately, the reputations of some  
innocent men may suffer. There never  
was a legislature in Ohio, probably  
that was made up of all honest men.  
In every general assembly there have  
been individual members suspected of  
dishonesty. There were such men in  
the last one, there were such men in  
the one before that, and the one before  
that, and on back to the first; and  
there are such men in this general as-  
sembly. But it is doubtful if there are  
more in this than there were in  
the last or the others that went be-  
fore; there merely seems to be be-  
cause exposure has come for one or  
more. And it is so easy to say that  
this is the rottenest legislature Ohio  
has ever known. It isn't true. This  
is no more rotten and no less rotten  
than the others.

Ohio is to have an era of good roads  
building, as a result of the action of  
the house in passing the McGuire and  
Hudson bill. By this action this gen-  
eral assembly completed a program of  
legislation for the farmers and good  
roads advocates that has never been  
equaled in a single legislative session  
in the past. Under the Hudson bill a  
state levy of one-half mill will produce  
over \$2,000,000 for the use of a state  
road improvement fund. It will be  
divided among all the counties in the  
state. The McGuire bill reorganizes  
the state highway department. A state  
highway commissioner, who must be

a civil engineer, is to be appointed for  
four years at a \$4,000 annual salary.  
Additional deputies and field engineers  
are to be appointed and these will lay  
out and construct highways through-  
out the state.

The state administration has been  
able to set a record of efficiency that  
will be a mark for future administra-  
tions to strive to attain, for the reason  
that care has always been exercised  
to get able and honest Democrats to  
succeed Republicans in the various  
state departments. The conditions sur-  
rounding the appointment of Attorney  
Edward H. Moore of Youngstown, as  
superintendent of insurance, illustrate  
how carefully Ohio's executive has  
acted in exercising his appointive  
power. In Mr. Moore the governor  
selected one of the most eminent and  
successful lawyers in Ohio, a man  
whose income from his private practice  
is triple the salary paid to the insur-  
ance superintendent. This was a case  
of the office seeking the man, for Mr.  
Moore at first declined to accept the  
appointment. The governor's insis-  
tence that he take the post finally  
forced the Youngstown man to accede.  
There can be no doubt but what Mr.  
Moore, who has been so successful in  
private life, will give the people an  
equally successful administration in  
his new post.

The Poet Philosopher.  
I saw the ostrich eating tin cans  
and broken glass, and lengths of can-  
vas sheeting, and coal and chunks of  
brass. "I called a keeper to me, and  
said, 'This fowl will die!'" "Don't be  
depressed or gloomy," the keeper  
made reply. "That bird," he said,  
while seating himself upon a bench,  
is happiest when  
**THE HAPPY** eating a brick or  
**OSTRICH** monkey wrench. And  
yet you see him frolic  
as happy as a steer, he never has  
the colic and never sheds a tear.  
Dame Nature has designed him to  
live on bricks and wood, and it would  
surely grind him to tackle breakfast  
food. I know his health is lasting, I  
know he feels all right, while he for  
junk and casting retains his appet-  
ite. Those moments are the saddest  
when strangers come along; I always  
fear some faddist will loom up in the  
throng, and urge that cassowary to  
live on shredded hay, and boneless  
huckleberry, and mild denatured  
whey. There'll be no trouble brew-  
ing inside that critter's crop, until I  
see him chewing some faddist's fan-  
cy chop. "I hold," remarked the  
keeper, "that birds and beasts and  
men will dodge the grim old reaper,  
and live as long again, if they devour  
the fodder for which they are design-  
ed; so let that bird eat solder and  
rocks and melon rind."

**HEALTH HINT FOR TODAY.**

**Diet and Obesity.**  
Obesity cannot be controlled  
entirely by diet, although it is  
the principal factor. It is cus-  
tomary to reduce the amount of  
water taken to not more than  
one quart, the normal quantity  
being two quarts, including all  
drinks. The foods to be espe-  
cially avoided in obesity are  
sweets, pork, veal, prepared  
dishes, potatoes, white bread,  
oatmeal, hominy, rice, fats,  
beets, carrots, turnips, parsnips,  
cream and soups. Fish and lean  
beef are the least objectionable  
of the meats. Stale graham is  
the best bread.

**REVIEW OF GAS  
AND OIL FIELDS  
FOR PAST WEEK.**

Montpelier, Ind., May 17.—A re-  
view of the high grade petroleum  
fields east of the Mississippi river,  
including Illinois, Indiana, Ken-  
tucky, northwestern Ohio, central  
Ohio, southeastern Ohio, West Vir-  
ginia, Pennsylvania and southern  
New York, for the week shows no  
increase in any branch of the in-  
dustry in the way of completed work,  
while in new work starting up there  
is without doubt a grand rush, and  
when these wells are completed  
there will no doubt be a big increase  
in completed work in all the produc-  
ing fields. Oil operators have just  
awoke from their winter's slumber  
and from now on until cold and dis-  
agreeable weather comes the trade  
will be active. The slight advance  
in the prices of petroleum at the  
wells in Illinois, has already had an  
effect in new work as much work  
has been staked out in the old dis-  
tricts as well as in the new fields in  
Marion and Clinton counties, as well  
as in the wildcat territory in the  
southern section of the state. An ad-  
vance in prices in Indiana, Kentucky,  
Ohio and the more eastern fields  
would no doubt stimulate drilling  
operations. Regardless of prices or  
anything else the work of testing the  
central Ohio fields is moving along  
and while some dry holes are being  
found, the trade is moving right  
along as though nothing but good  
wells were the real result of the  
drills' hunt for both oil and gas.

Oil operators are coming and go-  
ing from the eastern fields to the  
Oklahoma and other western fields,  
and are now running tools in most of  
the fields, which keeps them moving  
from one field to another. The fields  
of California that have attracted so  
much attention during the past cou-  
ple of seasons, have had a bad effect  
upon operators of small means that  
have migrated to those fields. The  
large cost of operating and the many  
stock jobbing concerns have become  
such that legitimate companies have  
about concluded to stop active op-  
erations for a period and let the rush  
of stock sellers dwindle to some ex-  
tent, after which operations will be  
resumed.

**Pennsylvania Fields.**

There is no renewal of operations  
noticeable in any section of the  
Pennsylvania-Southern New York  
petroleum fields. New York state is  
destined for a gas boom in the near  
future as a large body of land ly-  
ing about 25 miles south of Roches-  
ter, has been leased up by a syndi-  
cate of Buffalo capital which is mak-  
ing preparations to drill and pipe the  
fluid to Rochester. The project  
which is reported to be under the  
surveillance of Frank H. Barnard, a  
well known Buffalo citizen and gas  
man will undoubtedly be a go for  
Mr. Barnard says that he can put at  
least 45,000,000 cubic feet of gas in  
to Rochester from the new field at  
35 cents per thousand feet, which  
would give Rochester a very cheap  
product for light and heat. The gas  
is found in the Medina sandstone at  
a depth of from 1,200 to 2,200 feet.  
The well of Schwartz Bros., near  
Perryville, in Allegheny county  
drilled in a few weeks ago still  
maintains a production of nine bar-

rels an hour, and it looks as though  
an oil pool of small dimensions  
would be opened up in Pittsburg's  
back yard. In the Ingomar pool the  
well on the Montgomery farm, is  
good for about 15 barrels, while  
the former well in the pool is pro-  
ducing 100 barrels.

**West Virginia Field.**  
There is a noticeable movement  
among operators to resume work in  
the West Virginia regions, especially  
in a few desired districts. There  
is nothing at the present time to  
show that there will be any great  
amount of development work in any  
one particular section. There are  
still room for many wells in the old-  
er defined fields and it is this part  
of the fields that will show the heav-  
iest volume of work during the sum-  
mer.

Great things were looked for in  
the Gordon sand development in  
Wetzel county, but the field has not  
come up to what it was looked to  
be. The first producer which was  
on the Margaret Welch farm, in that  
pool is now a year old, and out of  
several wells drilled in the vicinity  
none shows for an extension to the  
development, and operators are sat-  
isfied that if much work is done that  
the limits of the pool will be easily  
found within a short distance from  
the original producer. The Hemel-  
rick farm well in the same county  
still maintains a production of 70  
barrels a day and this test may lead  
up to something by future opera-  
tions.

There is a proposition on foot for  
the piling of natural gas from the  
West Virginia fields to Detroit,  
Mich., a distance of over 400 miles,  
although it would only require the  
laying of less than 150 miles of  
trunk line to connect up the City of  
the Straits. The Ohio Fuel Supply  
company or the Northwestern Ohio  
Natural Gas company, supplies To-  
ledo and nearby towns with gas and  
having two trunk lines could easily  
run the gas and save the tremend-  
ous expense of laying the long lines  
that would be required. There is  
plenty of gas to supply all consum-  
ers in the West Virginia and central  
Ohio fields and the gas companies  
now active in development work in  
the two states should be able to  
more than double the present pro-  
duction of gas before the coming  
winter season starts in. This would  
insure a plentiful supply.

**Southeastern Ohio Field.**

Southeastern oil operators are  
certainly up against a hard propo-  
sition when it comes to strictly new  
territory to develop, and are meeting  
with no better success than the wild-  
catters in West Virginia and other  
states. A casual glance over the en-  
tire southeastern Ohio regions fail  
to show one identical spot outside of  
the deep sand territory that is worth  
the investment of drilling. The  
more shallow fields in Washington,  
Monroe, Morgan, Carroll, Belmont,  
Tuscarawas, Noble and other ex-  
treme counties in the eastern part of  
the state produce nothing but light  
producers and nothing better can be  
looked for. During the past several  
weeks, leasing has been quite active  
in Carroll and Jefferson counties and  
in the not far distant date there will  
be efforts made in both counties to  
find new and prolific pools. It has  
been over two years since the Kil-  
gore, the last pool found in Carroll  
county, was opened up.

In Elk township, Noble county,  
near Harrodsburg, the last well on  
the Huffman farm produced 30 bar-  
rels, which is far above the average  
shallow sand producer. The Joy  
farm well in the Reas Run district,  
also produced 30 barrels. In Morgan  
county, in the Chester Hill district,  
Well No. 4 on the VanFossen farm  
produced 15 barrels, while No. 5 is  
only good for about five barrels. In  
the Payne district, Lawrence town-  
ship, Washington county, a 20-bar-  
rel pumper was found on the Oliver  
farm.

**Central Ohio.**

The deep sand fields of central  
Ohio are the real spots for active and  
expensive development work. A dry  
hole means the outlay and loss of  
several thousand dollars and the  
smaller operator will hardly take  
the chances, and the work of devel-  
oping the field is up to the large  
companies of capital and the gas  
companies that are furnishing light  
and fuel for many Ohio cities. The  
best of the late completions in the  
deep sand field was in the Bremen  
field, where the Carter Oil com-  
pany drilled in a 200-barrel pro-  
ducer on the Gustin farm and lo-  
cated but a short distance from a  
well on the Leckrone farm, that  
started at 400 barrels.

The real excitement in the central  
Ohio field is located near New  
Strathtsville in the southwestern part  
of Perry county and the northeastern  
section of Hocking county. In this  
field there is close to fifteen  
strings of drilling tools busy at  
work. Many years ago attempts  
were made to find oil and gas near  
New Strathtsville, but in those days  
the Clinton deep sand was not sup-

posed to furnish either fluids and  
none of the wells were sunk to a  
depth to find the products. The first  
real test made was about two years  
ago when the Purvis-Martin people  
drilled their first well on the Jones  
land about a mile southwest of the  
town. This was after the frenzy ex-  
citement had subsided to a large ex-  
tent in the Bremen-Junction City  
fields. The well when drilled in pro-  
duced about forty barrels. The Bre-  
men field was exploited by imprac-  
tical and inexperienced people, none  
of whom had ever seen an oil well  
or knew anything of the business,  
who organized companies and  
some succeed in selling their entire  
allotment of stock over night. The  
ultimate result of such management  
is too obvious to require a citation  
notice for them. Oil, like gold, is  
where you find it. Some times a  
good strike is made, while more of-  
ten a failure is recorded. There is  
something about the oleaginous stuff  
that draws one to it. They are  
caught in the whirl of excitement;  
they stake their last dollar and ex-  
pect to become oil magnates over  
night with millions. Dry holes are,  
of course, unexpected and their ard-  
ent hopes are subdued with difficulty.  
One thing in its favor is that the  
suspense is not long—you don't have  
to pine away a lifetime to know the  
final result.

One grand feature of the New  
Strathtsville field is the wells are  
larger producers and hold up much  
better than any other portion of the  
field. Day by day new capital is  
dropping into the field and before  
the close of the summer season, it  
will be a full fledged oil field of  
prominence. New Strathtsville is  
surely the brightest spot upon the  
map of the central Ohio oil field at  
this time. New derricks are spring-  
ing up like mushrooms and many  
strings of tools are brought to the  
field, which means that there will be  
plenty of labor for the men out of  
employment at the best of wages, as  
the oil fields all pay the highest  
wages in the country.

The gas producing regions are also  
extensive and with monster gas wells  
being found in several of the coun-  
ties there will be an abundance of  
the product to supply all demands. A  
couple 8,000,000 cubic feet wells  
were found in Ashland county dur-  
ing the weeks and a couple of good  
wells in Fairfield and Hocking coun-  
ties. Coshocton county developed a  
no dry hole where a producing well  
new dry hole where a producing well  
field also supplied a duster.

**Kentucky Field.**

The completed work in Kentucky  
was entirely confined to Wayne coun-  
ty, with the exception of one small  
producer in Hopkins county. The  
wells were all light producers. The  
big waters the past week or so have  
stopped the moving of material to  
some extent, making the third heavy  
flood since the spring season set in.

**Other Fields.**

Nothing of more than minor im-  
portance has transpired in the Illin-  
ois, Indiana and Lima fields during  
the week.

The wells for the week were dis-  
tributed by fields as follows:

# OTTUMWA WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Ottumwa, Iowa.—"For years I was almost a constant sufferer from female trouble in all its dreadful forms: shooting pains all over my body, sick headache, spinal weakness, dizziness, depression, and everything that was horrid. I tried many doctors in different parts of the United States, but Lydia E. Pinkham's Vegetable Compound has done more for me than all the doctors. I feel it my duty to tell you these facts. My heart is full of gratitude to you for my cure."—**Mrs. HARRIET E. WASHLEY**, 524 S. Ransom Street, Ottumwa, Iowa.

**Consider This Advice.**  
No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous medicine, made only from roots and herbs, has for thirty years proved to be the most valuable tonic and invigorator of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

**Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, confidential, and always helpful.**

## ANNIE OAKLEY HERE TOMORROW

Former President Theodore Roosevelt, in an address before the New York Press club recently, told the newspaper men that the feat of the American cowboys in lassoing full grown rhinoceros and roping, throwing and tying a ferocious lioness, was one of the most heroic deeds in history.

"The men who did this in the wild jungles of Africa," said the former President, "are worthy of the praise. To tackle these beasts a rifle is one thing, but to tackle them with a rope the way that Ambrose Means did, is a perfectly marvelous feat."

The man who accomplished what the former leader of the Rough Riders deemed an impossibility will be in Newark tomorrow May 18 with the Young Buffalo Wild West Show, which comes here for two exhibitions. That man is Ambrose Means, who will give a wonderful exhibit of his skill at each performance.

While Means is a feature of the big Wild West Show that will appear here there are others of as great magnitude and novelty. There is Annie Oakley, the peerless woman wing and rifle shot, Captain A. H. Bogardus, holder of the world's record for sharpshooting, Curtis Liston and a number of equally famous wild west performers.

## CHIEF JUSTICE MAY RUN FOR PRESIDENT

The latest mention for the Democratic nomination for President is Chief Justice White, of the United States Supreme Court.

## SUNDAY SCHOOL CONVENTION TO BE HELD HERE

Many Delegates From Over the Country Will Be Present—Will Conduct Visitation of Newark.

The 31st Licking county Sunday school convention will be held in Newark Thursday evening and Friday and Saturday, May 18-20. The principal sessions will be held in the Plymouth Congregational church and undoubtedly a large number of delegates will be present, as each school is entitled to two delegates for every 50 scholars or fraction thereof. However, this does not include the cradle roll and home department members. The theme of the convention is "Self Improvement for Sanctified Service." The first meeting, on Thursday evening, will be held in Taylor Hall, and the Friday morning session and also the afternoon meeting of the same day will be held in Plymouth Congregational church. At 4:30 Friday afternoon the Newark Sunday schools, assisted by the delegates, will conduct a visitation of Newark. Every family in Newark will be visited. The workers will go in pairs, each pair being assigned to a certain number of houses in a given district. The canvassers will be provided with cards upon which the name, address and church reference of each person visited may be written. The data thus secured will be of inestimable value to the churches and Sunday schools of Newark, and it is hoped that every delegate and visitor will volunteer.

On Saturday morning will be made the award of county honors and the reports of the various department secretaries and the secretary and the treasurer and committee session will be received. The closing session will be held Saturday afternoon.

The convention will be divided into different sections, the superintendents' and pastors' section, chairman, E. M. Larason, place, Plymouth Congregational church; specialists, Mr. Carpenter, Brazil, Ind., and Rev. Welshimer, Canton; teachers' training section, chairman, W. A. Holmes of Granville, place, Plymouth church; specialists, Dr. McElfresh of Chicago and Prof. Monroe of Dayton; organized class section; chairman, A. R. Evans of Newark, place, Church of Christ; specialist, Mrs. Geyer of Xenia; temperance section, chairman, Dr. H. R. Emery, place, Church of Christ; leader, J. H. Miller, home department section, chairman, Mrs. Tippetts of Brownsville, place, Church of Christ; elementary section, chairman, Miss Dicken, place, Church of Christ.

The music of the convention will be in charge of Prof. B. F. Stuber, leader, and W. F. Harpster, cornetist, assisted by Miss Daisy Taylor, pianist, and Dr. J. M. Thomas, organist.

## CHILDREN'S HAIR

Keep It Free From Dandruff and It Will Grow Lovely.

Being the best hair-dressing for men and women, Parisian Sage is also best for children. Try it once and see how clean and healthy it keeps the scalp.

"My daughter used Parisian Sage on her children's hair and it is as good as you recommended it to be." —Hannah Anderson, 1021 Divine St., Columbia, S. C.

Here is what a North Dakota woman says:

"Parisian Sage certainly has done my hair a lot of good, and will highly recommend it as very good tonic for the hair. Have used various kinds of tonics and have found Parisian Sage the best. I have my head free from dandruff now, and it has a healthy luster and has an even color. It used to be streaky. Many of my friends are using it and they speak highly of it." —Mrs. Anna Rooney, 101 Second St., N. Fargo, N. D.

Always bear in mind that there is nothing for the hair that can compare with Parisian Sage. There are many imitations but none of them are guaranteed to eradicate dandruff, stop falling hair and itching scalp in two weeks, or money back.

A large bottle costs 50 cents at Evans' Drug Store and drugists everywhere. The girl with the Auburn hair is on every bottle.

## WILL GRADUATE FROM COLUMBUS TRAINING SCHOOL

The graduating class at the Training School for Nurses of Mt. Carmel Hospital, Columbus, is large this year, numbering 21. Three of the graduates are from Ireland, two from Newark and one from Utica. The Newark girls are Miss Mary M. Scanlon and Miss Muriel L. McMahon, and the Utica girl is Miss Bertha M. Clark.

The commencement will be held the evening of May 21 in the assembly hall of the hospital.

# Daddy's Bedtime Story

— Brave Tim and The Tricky Pooka

"TELL us a brand new story tonight, will you, daddy, please?" asked Evelyn.

"Well, I don't know about that," said daddy, "but I recall a brand new one that my nurse used to tell me. It's an Irish fairy story about the pooka."

"Whatever is a pooka?" asked Jack.

"It's a mischievous sort of a ghost," said daddy, "and it used to live in the bogs. It took the form of a stumpy pony, and it used to run up behind small boys who stayed out too late, getting between their legs and giving them the ride of their lives."

"That sounds fine," said Jack.

"Yes; tell it, please," said Evelyn.

"Many years ago," began daddy, "there lived in County Kerry a boy named Tim Dorney, who was as fine a little chap as ever ate a baked potato. His father's farm lay right next to a bog in which lived a pooka that was known for miles around for his cunning ways. Tim had often been warned against him by his mother, but Tim would only answer, 'I can ride the big sow all around the pasture, and sure if I can do that I can ride a pooka.'"

"So it came around that Tim was kept in after school for not knowing how to spell becwass, and it was nearly dusk when he caught sight of his father's cottage. He could have reached it by going around the hill, but the path along the edge of the bog was only a quarter as long, so he took it, for he was mighty hungry."

"Whish! He hadn't gone more than ten feet when the pooka got him, and off he went. He tried to fall off, but he couldn't, even when the pooka, who was laughing like a hyena all the time, rubbed him against a stone wall or rushed him through some briars or raced across some river. So he rode until sunup, when the pooka threw him into his father's pign."

"Maybe Tim wasn't angry. He was cold and wet and drenched and starving, and all anybody said was, 'I told you so.' So next evening Tim put on his father's spurs and took a heavy whip and strolled along the bog path."

"Whish! The next minute the pooka had him again, or, rather, he hed the pooka, for he whupped it until, instead of laughing like a hyena, the pooka screamed like a loon. He tried to shake Tim off, but he couldn't, and at dawn, when Tim dismounted, the pooka spoke for the first time in history."

"What did he say, daddy?" asked the children eagerly.

"A 'wel na geraw' with," replied daddy. And he hasn't told what that means yet.

**Home From Tour.**  
The English Opera Singers of this city, of which Prof. Flora is leader, have just returned to Newark after an extended trip through the south west. Prof. Flora says that when they arrived at El Paso the trouble between the Mexican insurgents and federals was at its height, and that the whole country on both sides of the line was in a turmoil.

**Red Dogwood at Cedar Hill.**  
In Cedar Hill cemetery there is now in full bloom a very fine specimen of red flowering dogwood (Cornus Florida rubra). It was planted by Mr. George Van Atta when he was superintendent of the cemetery, and it has grown to be a symmetrically shaped small tree. Of the many beautiful shrubs and trees in Cedar Hill cemetery there is nothing that quite equals this red dogwood whose beauty in color and profusion makes it an object of great attraction.

**Will Schlegel's Condition.**  
Word has been received from Mrs. Kate Schlegel, who is with her son Will at Phoenix, Ariz., that his condition is no better and that he has been bedfast for the past two weeks. He had a high fever and had been packed in ice for several days in the hope of breaking it, but with little success. Mrs. Schlegel says that on account of the hot weather at Phoenix she will take Mr. Schlegel to Denver as soon as he can be moved. Newark friends trust that the change will bring about a decided improvement in Mr. Schlegel's condition.

## DON'T "FLY ALL TO PIECES!"

LITTLE TRIVIAL THINGS WOULDN'T  
ANNOY YOU SO IF YOUR NERVES  
WERE RIGHT.

Are You Nervous Over Little Things?  
All you need is to strengthen the vi-  
tality of the nerve cells. These little  
cells are in the blood and it is their  
duty to build up and replace all dis-  
eased or worn-out nerve and muscle  
tissue. If they lack nourishment and  
strength they can not combat or war  
off disease and leave you weak and a  
subject for any disease that happens  
along. At last a remedy has been dis-  
covered that goes straight to these  
cells and restores to them the vitality  
and power that should be theirs. The  
result is immediate and lasting. Cell  
Tissue Tonic gives you self-reliance  
and vim. It enables you to go to sleep  
when you "hit the bed" and you get up  
in the morning refreshed and eager for  
the day's tasks.

Cell Tissue Tonic is a quick and sure  
remedy for Paleiness and Weakness, De-  
bilitation (worn-out and run-down men  
and women), Stomach and Bowel Trou-  
ble (in infants as well as adults), Hys-  
teria, Fainting Spells, Insomnia (sleep-  
lessness), and Poor Assimilation of the  
Food.  
Nothing else is even similar to Dr.  
Hoag's Cell Tissue Tonic, so be sure  
to get the right thing (look for the  
green label). For sale at \$1.00 by all  
druggists or sent direct upon receipt  
of price with all charges prepaid.  
Dr. C. A. Hoag Co., Suite 45, 25 West  
Kinzie St., Chicago, Ill.  
Our "Home Doctor Book" is the best  
ever published. Contains instructions  
on care of sick and weak men and  
as much valuable information, and is  
sent to anyone FREE upon request.  
Cell-Tissue Tonic is for sale and recom-  
mended by Hall's Drug Store and A. F.  
Crayton, & Co., in Newark.

## PROGRAM OF THE SUMMIT STATION COMMENCEMENT

Summit Station, May 17.—Just  
closing from the calendar for commence-  
ment week, the entertainments prom-  
ised to be the most successful ever  
attempted during the history of the  
high school.  
The class sermon will be delivered  
by Rev. C. O. Harvey in the M. E.  
church Sunday evening, May 21.  
"The Smugglerman," a two-act op-  
eretta, will be given by the grades  
Monday evening, May 22.  
The high school has prepared a  
miscellaneous program, consisting of  
a three-act comedy, "The Freshman"  
drills music and various stunts by  
the juniors, which will be given on  
Tuesday evening, May 23, at 7:30.  
The above entertainments will be  
held in the Universalist church, with  
an admission of 15 cents.  
The junior-senior reception will be  
held Wednesday evening, May 24.  
Thursday, May 25, at 8 p. m., the  
commencement will be held in the M.  
E. church. The commencement ad-  
dress will be given by Rev. L. C.  
Snarks of the First M. E. church of  
Newark, and the music will be fur-  
nished by the Fourth regiment or-  
chestra of Columbus.

The last event of the week will  
be the first alumni banquet Friday  
evening, May 26, in the Grange hall.  
Messrs. Russell and I. Noel Blau-  
of Basil will be visiting their uncle,  
Mr. J. W. Blau.  
O. J. Tyler and daughters spent  
Sunday at Alexandria.  
Col. I. N. Milburn will deliver an  
address at Alexandria on Decoration  
Day.  
A. J. Tyler was in Johnstown Mon-  
day.  
Rev. Joseph Cromwell of Dayton,  
gave a lecture in the Universalist  
church Sunday night.  
Miss Lulu Tyler spent Tuesday  
with her sister, in Past Columbus.  
The Summit Senior L. T. L. will  
meet at the home of Miss Alta Pa-  
day.

mer Saturday evening, May 20. All  
members are requested to be pres-  
ent.  
J. D. Tharp and family attended  
the 30th birthday anniversary of  
Mr. and Mrs. W. P. Tharp in Alaska.  
Mrs. W. S. Griffith is visiting her  
daughter at Columbus.  
George King of Jersey spent Sat-  
urday and Sunday with relatives here.  
Thomas Myers of Columbus, spent  
Sunday with his brothers here.  
The condition of Mrs. J. W. Al-  
berry has taken a change for the  
worse and very little hope is being  
entertained for her recovery.

## WANTS TO HEAR FROM OLD FRIENDS

I am glad to get the Newark Ad-  
vocate, as it keeps me in touch with  
old-time friends, and am pleased to  
enclose check for renewal of sub-  
scription. I married a Licking coun-  
ty girl, who was a comfort to my  
heart, and we lived happily together  
for many years. She is gone long  
ago to a better world and I am still  
here, going on 96 years of age. I  
wanted to renew acquaintance with  
some I love to hear from, if it is  
only through the paper, for any of  
my old-time friends read these lines,  
would be indeed pleased to hear  
from them. D. MIKEWORTH.

## SUNDAY SCHOOL

Primary Conference Will Be Held  
Here On Friday at Church  
of Christ.  
A primary conference of Sunday  
schools will be held at the Church  
of Christ Friday, May 19, at 3:30 p.  
m. The program follows:  
Devotional—Miss Philberta Hut-  
zell.  
Organization—Miss Gertrude Cai-  
penter.  
Equipment—Mrs. Wm. Prout.  
Materials—Mr. Clyde Calner.  
Improvement of the Teacher—  
Rev. Joseph A. Bennett.  
Round Table—Miss Grace Dicken.

## WEDDING RINGS AND GIFTS

For the sake of a matrimonially  
inclined friend, we dropped into  
Haynes Bros., the well known jewel-  
ers, at 7 North Park Place, to inquire  
what is the absolutely correct wed-  
ding ring. Mr. Haynes informed us  
that the Tiffany wedding ring is the  
thing—the thick and narrow ring—  
a revival of the fashion of our great  
grandparents' days; and he showed  
us these in a great variety of sizes.  
Diamonds, as the favorite en-  
gagement ring, never go out of fash-  
ion and with the advent of the wed-  
ding season, Mr. Haynes says their  
diamond department is now in spe-  
cial prominence and their array of  
these glittering gems was surely al-  
luring.  
I was interested in wedding gifts  
and I found the scope for selections  
in this store so large as to make the  
choice of a wedding gift at once sat-  
isfying and enjoyable. Outside of  
the extensive line of cut glass and  
handsome silver and brass, there are  
necklaces, La Vallieres, brooches  
bracelets, rings, ear rings—all equal-  
ly well represented, and the prices  
very moderate. 17-17-19

Newark Sunday Schools, assisted by the dele-  
gates and visitors at the Licking County Sun-  
day School Convention will conduct a Visita-  
tion of Newark. The city has been divided in-  
to districts and each district assigned to two  
visitors. These visitors will call at every home  
in Newark with a message of greeting and  
good fellowship. They will also ask for the  
name, address and church affiliation or prefer-  
ence of those visited. This information will be  
classified and turned over to the different pas-  
tors, priests and superintendents. This infor-  
mation will enable the churches and Sunday  
Schools to show the people of Newark the real  
interest they have in all mankind.

This canvass is made in a spirit of kindlin-  
ess and good fellowship and it is hoped the  
visitors will be received in a like spirit.

mation desired. Please fill out this coupon

## VEGETABLES AND BERRIES BECOMING VERY PLENTIFUL

There was a splendid market on  
Wednesday and things to eat were  
in abundance. The local vegetable  
market has not changed to any great  
extent during the past week, except  
that strawberries have ceased to be  
a luxury and are now within reach  
of all. They are retailing at 15c.  
per quart or two quarts for 25c. The  
home grown berries will be on the  
market soon. There has been much  
demand for string beans and they  
have been selling at 15c. for a  
quarter of a peck. Pineapples con-  
tinue to sell from 10c to 15c. each.  
Cucumbers are retailing from 5c to  
7c. apiece. Tomatoes are getting  
cheaper and the markets will soon be  
loaded with them. Onions bring 5c.  
for two bunches, while pea plant is  
bringing the same. Potatoes are  
selling one quarter of a peck for 15c.  
and radishes are bringing 5c. for two  
bunches. So you see there is no  
need of going without vegetables and  
berries if one wants them.

## LICKING.

The funeral of Mrs. Joseph Jake-  
way took place here last Monday af-  
ternoon at 1:30. She had been quite  
a sufferer the past four months with  
heart trouble and other complica-  
tions. The services were in charge  
of Dr. J. O. Newton.  
There will be communion services  
at this place next Sunday morning.  
Mr. Charles Rufner has been in-  
disposed the past few days, but is  
improving.  
The township Sunday school con-  
vention which was held here Sunday  
afternoon was well attended. Next  
meeting will be at Union Station.

spent Sunday at the home of Mr.  
Sanford Buckland.  
The parents of Pastor Newton, who  
have been with him the past three

months, returned to their home in  
Columbus last week.  
Mr. J. Bricker of O. S. U. will  
give a sermon on lecture here next  
Sunday evening. We hope for a good  
attendance.  
Tom, the young son of Mr. Milt  
Gordon of this place, last Sunday fell  
off a horse, the horse stepping on  
him. He was unconscious about 12  
hours, but is now improving.  
Miss Frances Messick spent Sat-  
urday and Sunday with Miss Elsie Lees  
of near Union Station.  
Mrs. Clara Vandorn of Newark at-  
tended church services at this place  
Sunday morning.  
The Bible class was organized last  
Sunday by appointing a president and  
secretary, the object being to increase  
the attendance.

## DINNER STORIES

Philip Snowden, the Socialist mem-  
ber of the British Parliament, whom  
the Rev. Charles F. Aked entertained  
in New York, has a keen intelligence  
—an intelligence so keen, indeed, that  
Mr. Snowden can even see the flaws  
in his own party.  
Thus, at a dinner in New York, he  
said, replying to a toast on equality

"The worst of equality is that we  
only wish to share it with our supe-  
riors."  
An Englishman walking along the  
main street in a small town in  
Maine stopped into a hole in the  
walk and broke his leg. He sued the

city for a thousand dollars, and Han-  
nibal Hamlin, who was once Vice  
President of the United States, was  
counsel for the Englishman. Hamlin  
won the case but the city appealed to  
the state Supreme Court. Again  
Hamlin won. Then the lawyer sent  
for his client and handed him a dol-  
lar.

"What's this for?" asked the En-  
glishman.  
"That's your damages," said Ham-  
lin, "after taking out my fee, the  
cost of the appeal, and other ex-  
penses."  
The client looked at the dollar and  
then said, "What's the matter with  
this dollar? Is it bad?"

A certain nobleman who may be  
called Lord X—bears the repu-  
tation of being somewhat stingy in  
money matters. On a wet afternoon  
he hired a cab to take him to Victoria  
station. Arrived at the station he  
handed the cabman a shilling, and,  
and, of course, was met by the in-  
evitable demand for an extra six-  
pence. "Certainly not," said the  
other, promptly. "You came the  
longest way as an excuse to extort  
money. Why didn't you go through  
St. James' Park?" The cabman  
saw he had no chance and said,  
sneeringly, "Cos St. James' Park is  
closed, that's why." "Nonsense,"  
said the other, sternly. "It's right,  
though," was the grave reply. "They  
say Lord X—dropped a shilling  
coming across the park last evening,  
and the gates are closed until they  
find it."

## REMINISCENCES BY NUMBER OF FORMER PASTORS

Tuesday Evening's Program at New M. E. Church Proved Highly Interesting to All.

Tuesday evening offered one of the most interesting programs of the dedication exercises of the First Methodist church. As announced, the evening was devoted to reminiscences of former and local pastors. The presiding minister was Rev. J. F. King, D. D., who from 1884 to 1889 served as presiding elder of the Zanesville district, including Newark.

The meeting was opened by singing "Faith of Our Fathers," which was followed by prayer by Dr. King and by the anthem, "As Pants the Heart," by Miss Bertha Julian and the chorus choir.

The introductory address of the evening was by Dr. King, who spoke from long familiarity with conditions of Licking county Methodism, the speaker having been reared near Newark and having become a pastor in the county in 1858. Especially interesting was his contrast between conditions of the church in this city then and now. At that date, 1858, Newark had two Methodist churches, with a combined membership of 300, the combined salaries of the pastors amounting to \$512, and the mission society fund to \$76. Fifty years later he found the three Methodist churches of the city having a combined membership of 2190, a combined ministers' salary of \$5100, and a missionary offering of \$786. It was during the period of Dr. King's presiding eldership that the increasing numbers and strength of Newark Methodism demanded the first steps toward the organization of the East Main street Methodist Episcopal church. Dr. King's presence and the pleasure of hearing his voice again, afforded great pleasure, especially to older members of the church, who have served under his ministrations.

At this point the pastor, Rev. L. C. Sparks, read letters of greeting and regret at absence from two former pastors, Rev. J. W. Dillon, who served the church from 1891 to 1894, and Rev. Arthur Edwards Johnson, now of Glendora, Cal., whose pastorate here extended from 1896 to 1901. Of the members of the church under Dr. Dillon's pastorate, only some half dozen were present in last night's congregation.

The second speaker of the evening was Rev. W. D. Cherrington, D. D., who was pastor of the Newark church for three years, 1884-1886. Dr. Cherrington expressed, in opening, his pleasure at finding himself again among his former people, and spoke in tender memory of the many friends whom he found missing from the dedicational reunion. The new building, he said, was to him not a mere heap of stones, but a temple to be resonant with praise, speaking the love of God to future generations who should gather about its consecrated altars. The investment made in its erection, he declared, would bear a glorious interest for eternity. Many hearers who had been members of the congregation of 25 years ago, eagerly welcomed the opportunity of listening again to the voice that had once been raised in their midst.

The next speaker introduced was Rev. Charles C. Elson of Third Avenue church, Columbus, who served the First church, Newark, in 1893-6, and whose comparatively recent pastorate assures him a multitude of friends among the present congregation. He, too, after expressing his pleasure at again finding himself among those who had been his people, spoke of the contrast between the conditions of now and 15 years ago, when the present building enterprise would have been considered an utter impossibility. He expressed his great pleasure at the perfection of the new church, and traced that every stone in its building became a silent partner in the religious life of the church membership, and that the moral fibre of the church be strengthened, not weakened, under new conditions. A church like this, he said, must be concerned in pushing on the great questions of moral sanitation, toward the goal of a clean city. The human soul is too big to be satisfied with trivial things, and the soul of the church must be too big to be satisfied with a splendid building alone. Only a profound religion can fill the new house of worship, with spiritual growth, and with children who from its altars shall be consecrated to the world-wide service of Christianity.

The chairman next introduced Rev. Harry J. Holcomb, pastor of the West Main street M. E. church. His thoughts turned to the achievements of the present, and on the prospects for a future of glorious service, animated by the spirit of the living God. He urged that for those who would give a full day's service to God and his church, there could be nothing ahead but victory.

Rev. L. L. Magee of Indianaola Columbus, pastor in Newark 1896-95, was announced as a speaker on the evening's program, but was unavoidably detained away, as was Rev. Charles Laughlin, of the East Main street church. At the conclusion of the announced program, Rev. L. C. Sparks spoke in brief retrospect of his coming to Newark, of the happy years of his pastorate here, and of his wonderful joy in the achievements of the past week.

Wednesday, beginning at 8 p. m., will be Brotherhood Evening, with C. L. H. Long, president of the Methodist Brotherhood, presiding. The address, "Social Service," will be delivered by Rev. Herbert Welch, D. D., LL.D., president of Ohio Wesleyan University.

### THREE MORE INDICTED

(Continued from Page 1.)  
The probe, did not seem nonplussed at his second visit on a similar errand. As he left the court house Representative Evans remarked that he supposed a man was disgraced now, whatever the facts would subsequently show, and he spoke with slight bitterness of the attitude of the wets in his home town since he cast his lot with true drys.

As the accused men walked up street newsboys darted past with eager exclamation on the afternoon's sensation. One vociferously shouted the thriller to the passing legislators and, not content with a declination to buy, flashed his paper full in the face of Senator Crawford with the terse echo, "Legislator indicted; legislator indicted."

The bill found against Representative Evans alleges that on February 14 he solicited a bribe of \$650 from John F. Weiss, secretary-treasurer of the Stark-Tuscarawas County Brewing company of Canton, to influence his vote on the Dean bill, "relating to local option elections in counties and to give independent effect to the vote of municipal corporations at such selections."

Weiss was one of the witnesses examined by the grand jury yesterday. "I guess a man is disgraced for life, now, even if he can prove he is innocent," Evans said sarcastically on leaving the courthouse. "Well, it doesn't make any difference so far as Stark county is concerned. I haven't a friend left up there on the 'wet' side who will talk to me—and it wasn't so long ago when nothing was too good for me. Somehow I have managed to get mixed up with everything that happened in the Legislature, according to the newspapers, anyway."

Senator Pomerene was before the grand jury. He had come from Washington, a voluntary witness, at the request of Prosecuting Attorney Turner. He is thought to have been quizzed as to wet and dry legislation. A peculiar feature of yesterday's indictments is that both Evans and Crawford represent Pomerene's home district, the former in the house and the latter in the senate.

A yesterday's session of the grand jury, Carl R. Shuler, legislative agent for the Cleveland subway bill, gave further testimony and other witnesses were A. A. Shelter of Columbus, brewery agent and Representative Frank Thomas of Wood county.

The grand jury's sessions are not concluded by reason of the temporary recess ordered. This was made plain by the powers that be yesterday. The recess will end May 31 and further deliberations may then be resumed.

Court may stay in session all summer, if it is found necessary. It is becoming evident that the trial of the first grist of indictments is to be merely the stepping stone to further revelations.

### BATTERS

Are Making Too Many Scores and Ball Is To Be Deceased, Is the New Edict.

Chicago, Ill., May 17.—That heavy batting which has been the wonder of fans and the despair of pitchers since the opening of the 1911 baseball season will be somewhat curtailed by natural causes in the near future.

Without becoming too explicit or attempting to pry into the trade secrets of the manufacturers of baseballs, it can be stated on authority which cannot be questioned that the next supply of balls for the clubs of the major and minor leagues will not be as lively as the ones now in use. In other words, it will be "deadened."

According to a factory representative, the present lively ball which is breaking down fences and producing 367 runs in three days in the major leagues was due to a tip from the baseball powers that there was not enough batting to suit the fans. Now the tip has gone forth again that fans are getting held at the games until they get cold dinners because of the great increase in batting.

It is not intended to revert to the old ball which produced so many few-hit contests and made many championship affairs merely a battle between pitchers, but to strike a happy medium about on the middle ground between the old ball and the new.

### INDIGESTION

An Interesting Statement.

Portland, Me.—"I suffered so long with indigestion and stomach trouble that I lost flesh rapidly—I had used all kinds of remedies without help. Vinol was recommended and I decided to try it.

"I soon commenced to feel better, my stomach trouble disappeared and I can eat heartily without the slightest distress. My experience leads me to believe that no other medicine equals Vinol for stomach troubles and indigestion. It tones up the stomach, increases the appetite and creates strength." W. E. Waterhouse. (We guarantee this testimonial to be genuine.)

Vinol seldom fails to strengthen and tone up the tired, overtaxed and weakened nerves of the digestive organs, and remove the cause of indigestion and soon enables the sufferer to digest with ease the foods that once caused distress. Moreover Vinol is delicious to the taste, contains no oil and does not upset weak stomachs, as do old-fashioned cod liver oil and emulsions. Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. F. D. Hall, druggist.

### Climate Failed—Medicine Cured.

It has been abundantly shown that rest, fresh air, and good food cure many persons suffering from tuberculosis. But, to be really honest, it must be admitted that these cures seldom more than "arrested." Something more is needed.

Bekman's Alternative is a medicine made for the cure of Tuberculosis. It has cured this disease again and again. Often these cures have been effected where the surroundings were not ideal, where no intelligent care was taken of the patient, where money was scarce; good food and good cooking unusual—yet cures resulted. Now we argue and urge that Bekman's Alternative should be used in every case of Tuberculosis, in addition to good, nourishing food, and fresh air, which we all need.

The facts—the evidence of cures that have been made—are interesting reading. A remarkable cure follows—Weldon, Ill. Gentlemen: "Through Bekman's Alternative I have been saved from a premature grave, and, feeling that I might benefit suffering humanity, I take pleasure in writing you a brief history of my sickness, which you are at liberty to use."

On December 14, 1904, I was taken with typhoid pneumonia. My lungs became very much affected, my sputum was examined and Tuberculosis Bacilli was found. On February 21st, 1905, was taken with Typhoid Fever. My lungs broke and discharged. I grew worse and became very much emaciated. My physician informed me that I must go to Colorado as quickly as possible. I left Texas June 1st, and arrived in Canon City, Colo., June 15th. After being there two weeks, my physician informed me that nothing could be done, as my case was hopeless. Two weeks later I returned home, weighing 103 pounds, the doctor having given me no assurance of reaching there alive.

On July 1st I began taking Bekman's wonderful remedy for Consumption, it being very highly recommended by the doctor. After taking it for a few days, I felt much better. I am stout and well and can do any kind of work about my grain elevator. I have lost an appetite in my lungs, but well, sleep well, and never feel better. Bekman's Alternative cures Bronchitis, Asthma, Hay Fever, Throat and Lung troubles, and is a blood purifier. It is written to the Bekman Laboratories, Philadelphia, Pa., for additional evidence. to "no" to be in position to save the bill by moving reconsideration after efforts have been made to appease the Democratic opposition by amendments.

Drys Lose in Fight On Constitutional Delegate Bill

When the constitutional convention bill, of which Senator William Green of Coshocton, the author, was taken up in the house, it having already passed the senate, the repressed contest between the temperance and liberal forces broke out. The issue between them was the clause providing for the submission separately to the voters by the constitutional convention of the liquor license question. Representative Reid of Fayette, speaking for the "drys," offered an amendment providing that candidates for delegates might sign a pledge to submit all questions relating to the liquor traffic to the voters by referendum.

He argued that to submit only the alternative of license or no license was not fair and limited the freedom of the candidates. Kilpatrick of Trumbull, another dry, warned the house to be careful lest the convention be made up of persons selected solely on the issue of whether they were wet or dry.

The existing pledge would greatly hamper both candidates and the electors. On a division the Reid amendment was defeated, 52 yeas to 46 nays. Representative Guard of Champaign, a dry, next moved to strike out the entire section relating to the proposed pledge.

This was overwhelmingly defeated, as was a motion by Hillenkamp of Toledo, to elect the delegates at a special election in October. Amendments by Lane of Warren, fixing the salaries of the officers of the convention according to the schedule in force in the assembly and permitting the presiding officer to have another title save president, if desired, were adopted, as was one by Reid of Fayette, providing that the delegates should receive but one year's pay, the language of the section being ambiguous.

On the vote many dry members supported the bill. Those recorded against it were Bruch, Browder, Canfield, Crist, Ellis, Freider, Gaud, Jenkins, Harmon, Lamb, Muhlback, Leathers, McCormick, Morris, Poole, Reid, Riddle, Uddick, Vanhook, Williams, Winans, Woodrow, Woodworth and Crawford.

### Judicial Redistricting Bill Passes the Senate

Nineteen Democratic senators lined up yesterday and put over Senator Dore's recent judicial measure and sent it to the house. It changes six Republican districts and two Democratic districts to three Republicans, three Democratic and two doubtful Republican.

The districts under the amended measure are: First—Hamilton, Butler, Warren, Cleveland, Cuyahoga, Adams and Brown—doubtful Republican. Second—Green, Clark, Montgomery, Preble, Darke, Miami, Shelby, Mercer and Auglaize—Democratic.

Third—Van Wert, Paulding, Defiance, Henry, Putnam, Allen, Hancock, Hardin, Logan, Seneca, Marion, Wyandotte, Crawford, Wood—Democratic.

Fourth—Franklin, Madison, Fayette, Pickaway, Champaign, Highland, Ross, Adams, Pike, Scioto, Vinton, Athens, Jackson, Lawrence, Gallia and Meigs—Republican.

Fifth—Hocking, Perry, Morgan, Noble, Monroe, Washington, Fairfield, Muskingum, Stark, Tuscarawas, Wayne, Holmes, Coshocton, Licking, Knox, Ashland, Richland, Morrow and Delaware—Democratic.

Sixth—Fulton, Lucas, and Huron, Ottawa, Sandusky, Erie and Williams—doubtful Republican. Seventh—Belmont, Guernsey, Har-

ison, Jefferson, Carroll, Columbiana, Mahoning, Portage, Trumbull, Ashland, Geauga and Lake—Republican.

Eighth—Cuyahoga, Summit, Medina and Lorain—Republican.

### CLAIMS SHEEP WERE AFFLICTED WITH DISEASE

Brings Suit to Recover and Defendant Files Answer, Denying Allegations—Court News.

Some time ago John L. Hughes purchased from Charles B. Fisk a number of sheep, ewes and lambs. Afterward he commenced suit in the common pleas court against Fisk, claiming that some of the sheep were afflicted with foot rot. The defendant has filed his answer to the petition of the plaintiff. Defendant denies all the allegations of plaintiff. He expressly denies that he warranted or guaranteed the sheep or that any of them were afflicted with foot rot, but says that a portion of the sheep were afflicted with scalded feet, which fact was communicated by the defendant to the plaintiff and was known to plaintiff before and at the time of the two purchases of sheep mentioned. Fitzgibbon & Montgomery, attorneys for defendant.

Common Pleas Court.

In the case of Isaac N. Mazelin vs. Tilden Mazelin, et al., the taking of testimony was resumed to the court and jury on Wednesday morning, and the plaintiffs rested their side of the controversy Wednesday afternoon. The defendants at once commenced the introduction of their testimony.

The suit is to contest the will of the late Francis Mazelin, who lived near Etna, this county, on the ground of senile dementia and other reasons set forth in the petition. The defendants claim that the deceased was capable of making the will which was probated.

The ordinary criminal cases, outside of the murder cases, will be taken up on the 12th of June.

All motions for new trials will be called for hearing a week from next Saturday, and counsel will be expected to be ready to submit the motions on that day.

Cross Petition.

In the case of John W. Brown, vs. George Fessler and others, the defendant, Harry D. Rank, has filed his cross petition. Flory and Flory, attorneys for Rank.

### HEISEY TEAM TO PLAY HANOVER

The fast Heisey ball team will journey to Hanover Sunday, where they will play an interesting game. The Heisey team has a strong line up and is sure to win.

### OPENING OF THE "KITTY" LEAGUE

Paduah, Ky., May 17.—The season of the Kentucky Indians—Harris-Tennessee Baseball League opened today. The teams will play again on Thursday, and the receipts for the two days will be pooled. Great preparations have been made for the opening in Vincennes, Fulton, Hopkinsville and McLeansboro. There will be a half holiday in each city and brass bands will furnish music for an hour preceding the games.

Because the enthusiasm was late in awakening the season did not start until in June last year, and the circuit was composed of but six cities. This year Cairo, Ill., and Fulton, Ky., have been added to the league, and prospects are for the brightest season in the history of the organization. All teams are ready for the opening, each having been doing hard practice for the past three weeks. All of the associations have their ticket money up, which insures they will stick through the season.

### GRAY HAIR MAKES YOU LOOK OLD

A Simple Remedy Brings Back the Natural Color—Dandruff Quickly Removed.

How often one hears the expression, "She is gray, and beginning to look old." It is true that gray hair usually denotes age and is always associated with age. You never hear one referred to as having gray hair and looking young.

The hair is generally the index of age. If your hair is gray, you can't blame your friends for referring to you as looking old. You can't retain a youthful appearance if you allow your hair to grow gray. Many persons of middle age grow grayer their future simply by allowing the gray hair to become manifest. The gray hair has become faded or gray, try Wyeth's Sage and Sulphur Hair Remedy, a preparation which a chemist by the name of Wyeth devised a few years ago. It is simple, inexpensive and practical, and will banish the gray hairs in a few days. It is also guaranteed to remove dandruff and promote the growth of the hair.

It is a pleasant dressing for the hair, and after using it a few days itching and dryness of the scalp entirely disappear. This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists.

### HAHN REINSTATED

The suspension of Eddie Hahn, manager of the Mansfield ball club, has been lifted temporarily and he played right field in the game Monday, writes the Mansfield Signal.

A telegram was received from Secretary Parcel stating that Garry Hermann, chairman of the national commission, had reinstated Hahn pending action of the commission.

The action of the commission puts President Moreland of the Ohio and Pennsylvania league in bad. There is a meeting of club officials to be held Friday at Cleveland and it would not be surprising to learn that President Moreland had lost his job. At least, he will be subjected to some pretty hard criticism.

Washington, May 17.—In an address at the Eighth Street Jewish temple, President Taft lamented the fact that there were certain slobs so snobbish as to exclude Jews wholly on account of their nationality.

## MEETING OF SCHOOL BOARD LAST EVENING

The Board of Education met on Tuesday evening with the following members present: Messrs. Kibler, Miller, Beggs, Conrad, Broome and Keller. A few bills were presented and allowed and Mr. Fulkman, a trice surgeon, was given the commission to treat trees at the East Main street Mill street and Indiana street schools.

Superintendent Simkins reported that the neighbors living in the vicinity of the North Fourth street school building complained of boys gathering there during the night, and that they annoyed with their loud, profane and obscene language. The board concluded that this matter came under the jurisdiction of the police and it was decided to report it to the mayor for his attention.

The building committee reported that repairs were necessary in many of the schools during the coming vacation, and it was referred to Mr. Handel, who is superintendent of buildings, with instructions to carry out the committee's recommendations. Mr. Handel asked that some new water hose be purchased and this was referred to the committee on supplies, with power to act.

Prof. W. E. Painter appeared before the board with plans for the enlargement of the manual training and domestic arts departments in the schools. The matter was referred to the committee on teachers and the course of instruction.

Discussion was taken up of the money levies for the school year of 1911 in view of the enactment of the new law limiting the levy. It was finally referred to the finance committee.

Then upon motion of a member the matter of the election of a superintendent was taken up. The vote on the matter of the re-election of Superintendent Simkins resulted in Beggs, Conrad and Keller voting to retain him, and Kibler, Miller and Broome against him.

As this ballot showed no change from the vote taken last week the board adjourned.

## B. & O. OFFICERS ASSIST IN CAPTURE OF AN INSANE MAN

Officer J. G. Mercer of the B. & O. railroad's force of special officers at this point, happened in Mansfield on Tuesday in time to be importuned to aid in the capture of a maniac at Spring Mills, south of Mansfield, at the Pennsylvania railroad crossing.

The officer, in company with several of the officers at Mansfield, went to the place and captured a man who was standing by a post at the railroad crossing. He gave his name as Harry Harris, aged 30 years. His home is in Youngstown. He is married and has a family. When taken charge of by the officers he was well dressed but was doubtless insane. He has been terrorizing the people in the country near Spring Mills for several days, and how he got into Richland county is unknown. The officers took him back to Mansfield and locked him up to await an inquest of lunacy, or until it develops whether his insanity is permanent or the result of some recent experience, the effect of which may pass away.
